

## Dear Friends,

I just wanted to give a midweek update...

This Saturday is our last 7:00 evening Mass. As I said early on, the 7:00pm Mass was meant to be temporary in order to spread out the number of people at each Mass. After five weekends, it's clear that we can accommodate at our other Masses the people who have been attending 7:00pm.

The second collection this weekend is for the Fr. Ray Scholarship fund. Originally, the fund was established to help students at our own school. However, we still use the funds to help our parishioners who attend Catholic school, particularly Catholic high school. We will put out three extra baskets labeled "Fr. Ray Fund" in addition to the other collection baskets we have. Thank you for your generosity.

We could use more people helping to wipe down the pews after Masses. It doesn't take long at all, especially when we have 6-8 people. However, after a couple of Masses last weekend, we only had a few people helping. I know this is somewhat of a nuisance right now, but we have to do it. Please consider sticking around after Mass to help if you are able. We have spray bottles and towels in the All Saints room. With 6-8 people, it takes less than 15 minutes.

Thank you for your continued cooperation when it comes to wearing your masks in church.

See you this weekend!

Fr. Najim
